GEN. & REV. DEPT. 13 DEC. 1940 FOREST BRANCH.

The Secretary to Government,
Development Department,
Bangalore.

SIR,

SUBJECT: Supply of Art Calendars.

I have the honour to submit that as per Government Order No.G.14344-5/P.& S.30-27-10 dated 28-6-1928, supplemented by several letters and Government Orders received from time to time, 164 Art Calendars as per details furnished in black ink in the statement (1) submitted herewith are being printed and distributed annually by the Government Press. It is seen therefrom that no principle either in respect of status or in respect of pay or grade pay, of the officers seems to have been followed in distributing these Art Calendars. The list shows that officers, whose pay or grade pay is less than Rs.500/-, are also entitled to a Calendar in some Departments. In some other Departments only a few number of officers out of those, who are drawing equal pay or who are in the same grade are being supplied with calendars while the others are not entitled to get it as per sanctioned list. After the calendars are printed and supplied as per the distribution list, references are made to this office by officers referred to above, demanding supply for the reasons stated above. This office is unable to comply with the requisition for want of sanction ~~and also~~ as only a limited number of copies are printed annually and supplied without maintaining any stock for future supplies. This leads to unnecessary correspondence in this office.

Statement No.2 contains only the names of a retired Dewan and a Council Member together with some other gentlemen who are entitled to get Art Calendars as per sanctioned List.

P.T.O.

Names of other retired Councillors are not included in the list and if references are received from them, the Government Press is not in a position to supply the calendars for want of sanction and also for want of printed copies.

In these circumstances, I submit that the list now followed for distribution of calendars being 12 years old, requires revision. Additions have been proposed (in red ink) in list No.1, taking into consideration the pay or the grade of the appointment so that the distribution may be equal in respect of all officers of the same rank. If my proposals are approved, 251 calendars, against 164 now printed and supplied have to be printed and supplied.

In this connection, I beg to submit for kind consideration of Government to include the names of all retired (1) Members of Council, (2) Judges of High Court, (3) Heads of Departments including that of the Superintendent, Government Printing, in list No.2, if there is no objection, in which case about 25 to 30 more calendars will have to be printed and supplied.

List No.4 shows officers whose pay or whose grade pay is Rs.500/- or more. There are 60 officers of this class. It is for kind consideration whether these officers also may be given a calendar.

If all the above proposals are sanctioned, about 340 Art Calendars have to be printed and supplied against 164 now printed and distributed. The extra cost for printing 176 calendars (labour and materials) will be Rs. 140/-.....

In this connection, I submit for the information of Government that the General Manager, Mysore State Railway. is getting Tear-of-Monthly sheets of 600 calendars for being pasted to the Railway calendars which are similar to Government Art Calendars in all respects. It is learnt that these have been supplied to each Station Master. No information regarding the distribution of these calendars is available in this office.

P.T.O.

8

As Art Calendars are to be printed and supplied early, I solicit clear and early orders of Government on this subject.

I have the honour to be,

Sir,

Your most obedient servant,

SUPERINTENDENT. 11/11/40
